

- 1. Barenplatz:** Lots of restaurants here. Full of tourists.
- 2. Name?:** Best pizza in Bern. Entrance in alley behind Barenplatz.
- 3. Kornhauskeller:** Tasty but pricey. Excellent whiskey selection. Relaxing Stimmung (ambiance). Entrance down stairs under arch. Worth at least a look around. Great for an after dinner drink.
- 4. Lorenzini's:** Great Italian food.
- 5. Name?:** There are two little restaurants here. The one on the left is really good; mix of food types.
- 6. Rote Punkt:** Mix of various types of Asian foods; lots of spicy curries. Very tasty.
- 7. Rathauskeller:** Nice Swiss food and seasonal specialties.
- 8. XXXII:** Wine bar specializing in wines from Piedmonte; a few appetizers; entrance below street level. **Zur Alten Post:** excellent restaurant just above XXXII; Thai and Swiss food (married owners are Thai and Swiss).
- 9. Commerce:** Great Catalan food. Try the calamari or the paella! Look for sign with the Spanish flag.
- 10. Kloeetzi Keller:** Oldest restaurant in Bern (~16th C.), in stone cellar. Swiss food. Entrance below street level.
- 11. Name?:** There's a great, very little Thai restaurant somewhere near the Muenster, but I can't remember the exact location.
- 12. Verdi:** Really neat restaurant with fireplace and stone walls. Mostly Italian. A bit pricey but good.
- 13. Brasserie zum Baerengraben:** Nice but pricey French fare. Pretty little restaurant high above river. Just at end of Nydegg bridge.
- 14. Altes Tram Depot:** Swiss food and microbrewery. Right next to the Baerengraben. Good for large groups. Not good for romantic dates.
- 15. Restaurant Rosengarten:** Perfect on a warm, dry night. Large outdoor seating area in the city rose gardens. Seasonal specialties, mix of ethnicities. Very tasty. (Off map -- go uphill, along foot path that runs across the front of the hill-- you'll run right into the restaurant.)

Note that many restaurants stop serving dinner at around 22:00. If you need a late-night dinner, try the Spaghetti Factory in Kornhausplatz. Also note that on Thursday-Saturday nights, the restaurants will be crowded, so either expect a wait or ask Brigitte (nicely) if she wouldn't mind making a reservation for you. Don't expect to be able to eat in big groups on those nights, even with a reservation. Please leave a tip of around 5%. Asparagus specialties might be coming into season for our May team meeting.
