

While uphill, the walk to ISSI from La Pergola Hotel is not long (1.5 km, ~1 mi). But if you'd like to take public transportation >>>

From Eigerplatz, you can take the following to the main train station (Bahnhof):

Bus 10, Direction Ostermuendigen/Paul Klee
Tram 3, Direction Saali

From the Bahnhof to ISSI you can take:

Bus 12, Direction Laenggasse, get off at "Universitaet"

Clearly, the same lines in the opposite directions will get you from the Bahnhof to the hotel. Get off at the "Eigerplatz" stop.

You can buy a ticket from the red machine at any bus stop (Choose 1/1 Erwachsene Kurzstrecke) or you can buy a multi-ride punch card at any Kiosk (Kurtzstreckekarte -- a short trip card) and then punch it at the stop. You cannot buy a ticket on the bus, and fines for riding without a ticket run up to 100CHF.

For longer distance bus/tram tickets (e.g. across town) you will need to check the chart on the ticket machine and buy a zoned ticket.

Physikalisches Institut

(Physics Building):

colloquium on Wed.,
tour on Thurs.

Shortcut to town from

ISSI: take stairs down from terrace behind Physics building -- cross parking lot (far left) -- take stairs down to street
