

The International Space Science Institute (ISSI) is situated in Bern, the capital of Switzerland. This is a nice place, and in the following there are some impressions of it:

This is the campus of the university of Bern with a view on the surrounding houses in the background.

Another view of the campus with the tower of the cathedral in the background.

The Holy Ghost Church next to the train station.

The Bagpiper Fountain.

The Prison Tower.

The Prison Tower with the Anna Seiler Fountain from the other side.

The Musketeer Fountain in front of the Clock Tower.

The Granary with the Ogre Fountain in front of it.

The Clock Tower from the inner city.

The Zaehringen Fountain in front of the Clock Tower.

The Einstein House in Bern.

Samson Fountain.

The Town Hall of Bern.

The Christian-catholic Church in Bern.

The Justice Fountain with a view towards the Aare valley.

The Messenger Fountain at the Aare river.

The old town of Bern from the other side of the river.

A view on Aare, old town and cathedral from the Nydegg-bridge.

The ``Erlacherhof``.

A view from the park in front of the cathedral on the Aare-valley with barriers and the ``Kirchenfeld''-bridge.

The portal of the cathedral.

The cathedral with the Moses Fountain.

The Concert Hall Casino.

A view from the balustrade of the Swiss Parliament on the Aare valley.

The Swiss Houses of Parliament from the garden side.

The Houses of Parliament from the front side.
