

ISSI meeting schedule

Monday February 17

	Start of Meeting
13:30-14:15	Marschall/Ivanova: Welcome and goals of team
14:15-15:00	Introductions & Open Questions
15:00-15:15	Coffee
	Introductions & Open Questions
15:15-16:00	Introductions & Open Questions
16:00-16:45	Introductions & Open Questions

Tuesday February 18

	Surface
9:00-09:45	Fronasier: Linking surface morphology, composition and activity on the 67P/Churyumov-Gerasimenko's nucleus
9:45-10:15	Vincent: Activity and surface evolution
10:15-10:30	Coffee
	(Near) Surface
10:30-11:15	Agarwal: Localised ejection events from 67P
11:15-12:00	Tubiana: 67P/Churyumov-Gerasimenko: the inner coma dust environment as seen through Rosetta/OSIRIS
12:00-13:30	Lunch
	(Near) Surface
13:30-14:15	Skorov: Dust removal/Separation conditions
14:15-15:00	Ivanovski: Non-spherical dust dynamics in cometary environments: latest results and new challenges.
15:00-15:15	Coffee
	Inner Coma
15:15-16:00	Marschall: Linking the size distribution, optical properties and mass loss of 67P
16:00-16:45	Zakharov: Engineering/generalized models of dusty-gas coma

Wednesday February 19

	Inner Coma
9:00-09:45	Pinzón-Rodríguez: Link between Rosetta measurements at the inner-coma of comet 67P/CG with the gas sources at its nucleus
9:45-10:15	Gerig: Dayside to nightside brightness asymmetry in the coma of 67P
10:15-10:30	Coffee
	Outer Coma & Tail
10:30-11:15	Skorov: Gas production
11:15-12:00	Ivanova: Temporary stability of structures in the coma in the comet 67P/Churyumov-Gerasimenko from the ground-based observations
12:00-13:30	Lunch
	Outer Coma & Tail
13:30-14:15	Reshetnyk: Outer coma dynamics
14:15-15:00	Kokotanekova: Using ground photometric observations to study comet nuclei evolution
15:00-15:15	Coffee
	Outer Coma & Tail
15:15-16:00	Snodgras: Ground-based campaign of 67P
16:00-16:45	Snodgras: Comet Interceptor

Thursday February 20

	Splinters
9:00-09:45	Splinters
9:45-10:15	Splinters
10:15-10:30	Coffee
	Splinters
10:30-11:15	Splinters
11:15-12:00	Splinters
12:00-13:30	Lunch
	Reports on Splinters
13:30-14:15	Reports on Splinters
14:15-15:00	Reports on Splinters
15:00-15:15	Coffee
15:15-16:00	Discussion of future work

Friday February 21

	EOM Discussions
9:00-09:45	Set next meeting. What's next?
9:45-10:15	Things to do till next time.
10:15-10:30	Coffee
	EOM Discussions
10:30-11:15	Discussion
11:15-12:00	Discussion
12:00-13:30	EOM
