

# Visiting Scientists at ISSI-BJ

Nov. 4-8, 2019

## International Team Meeting on “Weak Gravitational Lensing Studies from Space Missions”

led by Zuhui Fan, Yunnan Univ./Peking Univ., China

Martin Kilbinger	Nov.4-8	CEA Saclay/Irfu/Sap, France
Charling Tao	Nov. 4-8	CPPM, IN2P3/CNRS, France
Zuhui Fan	Nov. 4-8	South-Western Institute for Astronomy Research, Yunnan Univ., China
Hu Zhan	Nov. 4-8	National Astronomical Observatories of China, CAS, China
Ran Li	Nov. 4-8	National Astronomical Observatories of China, CAS, China
Guoliang Li	Nov. 4-8	Purple Mountain Observatory, CAS, China
Jun Zhang	Nov. 4-8	Shanghai Jiao Tong Univ., China
Liping Fu	Nov. 4-7	Shanghai Normal Univ., China
Huanyuan Shan	Nov. 4-8	Shanghai Astronomical Observatory, CAS, China
Xiangkun Liu	Nov. 4-8,	South-Western Institute for Astronomy Research, Yunnan Univ., China
Xinzhong Er	Nov. 4-8	South-Western Institute for Astronomy Research, Yunnan Univ., China
Dezi Liu (YS)	Nov. 4-8	South-Western Institute for Astronomy Research, Yunnan Univ., China
Chengliang Wei (YS)	Nov. 4-8	Purple Mountain Observatory, CAS, China
Xianmin Meng (YS)	Nov. 4-8	National Astronomical Observatories of China, CAS, China
Fuyu Dong (YS)	Nov. 4-8,	Shanghai Jiao Tong University, China

*YS: Young Scientist*

**Remote participants**

Tim Schrabacck, Argelander Institute for Astronomy, Bonn University, Germany

Hendrik Hildebrandt, Astronomical Institute, Ruhr-University Bochum, Germany

Angus Wright, Astronomical Institute, Ruhr-University Bochum, Germany

Diana Scognamiglio, Argelander Institute for Astronomy, Bonn University, Germany

**Colleagues joining partly**

Jifeng Liu, NAOC, China

Yan Gong, NAOC, China

Chao Liu, NAOC, China
